BASKETBALL LEAGUE

The OPS 3 on 3 Basketball League creates the best learning experience for youth basketball players.

3 on 3 game play gives players the opportunity to touch the ball more often, learn spacing on offense and defense and allows coaches to break down and teach the game at a slower pace in a half-court setting.

Players will have the opportunity to be trained by OPS player development coaches, Bruce Grimm and DJ McCall. Each week players will spend time focusing on fundamentals and skill development. Players will learn team concepts and work on translating those skills in 3 on 3 game play.
